(10) To exercise all other powers that are legislative powers granted to the Council by this Charter or by the Constitution and laws of the State of Ohio.

3.02 Election, Term, Vacancies

The Council shall consist of six members nominated and elected from the City at large, and the Mayor elected pursuant to Section 3.04 of this Charter. Commencing with the November 6, 2001 municipal election the three persons who receive the highest, second highest and third highest number of votes shall be elected to four year terms of office and the persons receiving the fourth, fifth and sixth highest number of votes shall be elected to two year terms of office. Thereafter all members of Council shall be elected to four year staggered terms of office. The terms of members of Council shall begin on the first Monday in January next following their election. If a vacancy occurs in the Council, except as the result of a recall election, some eligible person shall be chosen by a majority vote of the remaining members to fill the vacancy for the expired term. Members of the Council shall be qualified electors of the City and shall not hold any other public office except that of notary public or member of the state militia. Members of Council may hold other public employment, other than employment with the City and as otherwise prohibited by this Charter. Members of Council, including the Mayor, may become candidates for other elective office during their term as Council members. A member of the Council ceasing to possess any of the qualifications specified in this section, or convicted of a felony crime while in office, shall immediately forfeit the office. Where ever the words "Member of Council" or "Council Member" are used in this Charter the person holding the office of Mayor shall be included unless the context of the Charter's provisions require his or her exclusion from those words.

3.03 Meetings of Council

The Clerk of the Council shall schedule an organizational meeting no later than the second Wednesday in January following each regular municipal election at which members of the Council are elected. Members of the Council and the Mayor may qualify to take office prior to that meeting by taking the oath of office and by taking all other actions necessary to qualify for office. Thereafter, the Council shall meet at such times as may be prescribed by ordinance or resolution, but not less frequently than once each month. Special meetings may be held upon vote of the Council taken in any regular or special meeting and when called by the Clerk upon the written request of the Mayor, the City Manager or three members of the Council. Any vote or request for a special meeting shall state the subject to be considered at the special meeting and no other subject shall be considered at that meeting. All meetings of the Council and of committees thereof and all

other boards, commissions, committees or other public bodies created under the Authority of the Charter, the ordinances and resolutions of the City, and the laws of the State of Ohio shall be open to the public in accordance with the Ohio Open Meeting (“Sunshine”) Law. The rules of the Council shall provide that citizens of the City shall have a reasonable opportunity to be heard at regular and special meetings in regard to any matter to be considered by the Council.

3.04 Mayor, Vice-Mayor

(A) At the November 6, 2001 municipal election and at the regular municipal election each four years thereafter, the Mayor shall be elected to a four-year term of office. The Mayor shall be a member of the Council, shall preside at all meetings of the Council, and shall have all the powers, duties and functions and obligations of a member of the Council, including the right to vote on any matter. The Mayor shall perform such other duties consistent with his office as may be imposed by the Council. He shall be recognized as the official head of the City for all ceremonial purposes, by the courts for the purpose of serving civil process, and by the Governor for military purposes. In time of public danger or emergency, he may, with the consent of the Council, take command of the police, maintain order and enforce the law. The Mayor shall be an ex officio member of all committees of the council.

(B) The Vice-Mayor shall be the member of the Council (other than the person elected as the Mayor) that is elected, qualifies for office and receives the highest number of votes at the election where members of the Council are elected. He or she shall serve a two year term as the Vice-Mayor. In the event of a vacancy in the office of Mayor, other than the removal of the Mayor by Recall, the Vice-Mayor shall succeed to the office of Mayor. During the absence or disability of the Mayor, the Vice-Mayor shall become the Acting Mayor with the powers, duties, functions and obligations of the Mayor. In the event of a vacancy in the office of Vice-Mayor the Council shall elect a successor to serve the remainder of the Vice-Mayor’s term from among Council’s membership by a majority vote of the members of the Council, including the Mayor.

3.05 Compensation of Elected Officials

The salary of a member of the Council shall be three hundred dollars (\$300.00) per year and shall be paid in equal monthly installments. The Council may by ordinance provide compensation for the Mayor in addition to that which he receives as a member of the Council. As compensated members of the Council, elected officials shall also be considered employees of the City of Hamilton.

3.06 City Clerk

The Council shall choose a City Clerk who shall keep the records of the Council and perform such other duties as required by this Charter or by the Council. The City Clerk shall serve at the pleasure of the Council and may be removed at any time by a majority vote of the Council. The number of assistants and other employees in the office of the City Clerk shall be fixed by ordinance or resolution, but all such assistants and employees shall be appointed, and may be removed, by the City Clerk.

3.07 Rules of Council

The Council shall be the judge of the election and qualification of its members and shall have power to subpoena witnesses and compel the production of all books, records, papers and other evidence; but the decision of the Council in any case shall be subject to review by the courts. The Council shall determine its own rules and order of business and keep a journal of its proceedings. It shall have power to compel the attendance of absent members, may punish its members for disorderly conduct and, by vote of not less than five members, may remove for the duration of their elected or appointed term, a member for disorderly conduct or the violation of its rules; but no member shall be removed unless notified of the charge and given an opportunity to be heard in his or her own defense. Absence from three consecutive regular meetings shall operate to remove a member, unless the absence is authorized or excused by the Council. Disorderly conduct appropriate for removal shall include, but not limited to, conduct in violation of the State of Ohio Ethics Laws.

3.08 Quorum, Voting of Members

A majority of the members elected to the Council shall constitute a quorum to do business, but a lesser number may adjourn from time to time and compel the attendance of absent members in the manner and under the penalties as may be prescribed by ordinance or resolution. The affirmative vote of a majority of the members elected to the Council shall be necessary to adopt any ordinance, resolution, order or vote; except that in the absence of a quorum, a vote to adjourn, or regarding the attendance of absent members, may be adopted by a majority of the members present. No member shall be excused from voting except on matters involving the consideration of his or her own official conduct, when his or her financial interests or the financial interests of his or her immediate family are involved, or when the laws of Ohio require the member to abstain. "Immediate family" means spouse, child or stepchild, grandchild, parent, step-parent, grandparent, brother, sister, parents or step-parents of spouse and grandparents of spouse.

3.09 Legislative Procedure

Ordinances and resolutions shall be introduced in the Council only in written or printed form. All ordinances except ordinances making appropriations and ordinances codifying, revising, or rearranging existing ordinances shall be germane to one subject, and the subject, or subjects, of all ordinances shall be clearly expressed in the title. Ordinances making appropriations shall be confined to the subject of appropriations. No ordinance shall be passed until it has been read by title only on two separate days, unless the requirement of reading it on two separate days shall be dispensed with by a vote of not less than six members of Council. The final reading of each ordinance shall be in full unless a written or printed copy thereof shall have been furnished to each member of the Council prior to the reading or unless the Council shall by a majority vote of its members authorize the reading by title only. The yeas and nays shall be taken upon the passage of all ordinances and entered upon the Journal of the proceedings of the Council. The enacting clause of ordinances or resolutions passed by the Council shall be, "Be it ordained or resolved by the Council of the City of Hamilton." The enacting clause of ordinances or resolutions submitted by the initiative shall be, "Be it ordained or resolved by the people of the City of Hamilton."

3.10 Amendments

(A) A pending ordinance or resolution may be amended at any time prior to its passage by the Council by a majority vote of the members of the Council present and voting on the

amendment, and such amendment shall not require additional readings of the ordinance or resolution.

(B) Any ordinance or resolution, or the codified ordinances or resolutions of the City, may be amended by the passage of subsequent ordinances or resolutions that: revise existing sections or parts thereof; enact new or supplemental sections or parts thereto; or repeal existing sections or parts thereof. This Division does not prevent repeals by implication. The sections or sub-sections of ordinances or resolutions that are amended need to be set forth in the amending ordinance or resolution in their amended form only.

3.11 When Ordinances and Resolutions Take Effect

Appropriation ordinances and resolutions, ordinances and resolutions pertaining to local improvements and assessments, ordinances and resolutions providing for or directing any investigation of City affairs, ordinances or resolutions requesting information from administrative officers or directing administrative action, and emergency measures, shall be in effect from and after their passage by the Council unless some other time is specified therein. All other resolutions passed by Council shall take effect immediately upon passage; all other ordinances passed by the Council shall be in effect from and after thirty days from the date of their passage except those in which later date for taking effect is specified. Ordinances adopted by vote of the electors shall take effect at the time indicated therein or, if no time is specified, then thirty days after their adoption. An emergency measure is an ordinance or resolution to provide for the immediate preservation of the public peace, property, health or safety, in which the emergency claimed is set forth and defined in the ordinance or resolution. The affirmative vote of a least five members of Council shall be required to pass any ordinance or resolution as an emergency measure. No measure making or amending a grant, renewal or extension of a franchise or other special privilege shall be passed as an emergency measure.

3.12 Authentication and Publication of Ordinances and Resolutions

After passage by the Council, each ordinance and resolution shall be authenticated by the signatures of the Mayor and City Clerk and recorded in a book kept for that purpose; however, failing to authenticate shall not invalidate the ordinance or resolution. Within ten days after passage, each ordinance and resolution, except ordinances and resolutions providing for or directing an investigation of City affairs and ordinances or resolutions requesting information from City officers or directing administrative action, shall be published in such manner as may be provided by ordinance or resolution, but if newspaper publication is specified then each such ordinance and resolution shall be published once in a newspaper of general circulation in the City. The publication in book form of any codification, revision or rearrangement of ordinances and resolutions passed by the Council, if such book contains the certificate of the Mayor and City Clerk of the correctness thereof, shall be deemed sufficient publication, and any book so published and certified shall be validly published and shall be received as evidence in any court for the purpose of proving the ordinances or resolutions therein contained.

3.13 Publication for Public Hearings

A public hearing required by law to be published by the City shall be published electronically on the City's website or in a newspaper of general circulation in the City or may be supplemented with other electronic media generally available to the public.

Ordinances and resolutions may be proposed by initiative petition and adopted by election, and ordinances and resolutions adopted by the Council shall be subject to referendum, as provided by the Constitution and laws of Ohio, provided ordinances and resolutions calling elections under this Charter and ordinances and resolutions which become effective immediately upon their passage by Council pursuant to Section 3.11 of this Charter shall not be subject to referendum.

4.02 Petitions for Initiative and Referendum

Petitions for initiative and referendum shall be provided by the election authorities pursuant to general law; but if the election authorities shall fail or refuse to provide for the petitions, the City's Director of Law shall provide for the petitions.

The Council shall appoint a City Manager who shall be the chief executive officer of the City. The Manager shall be chosen by the Council solely on the basis of his or her executive and administrative qualifications and need not, when appointed, be a resident of the City or the State. No member of the Council shall, during the time for which elected, be chosen as City Manager. The Manager shall be appointed for an indefinite term, but shall be removable at the pleasure of the Council. Before the Manager may be removed, he or she shall, if he or she demand, be given a written statement of the reasons alleged for his or her removal and the right to be heard publicly thereon at a meeting of the Council prior to the final vote on the question of removal, but pending and during the hearing the Council may suspend the Manager from office. The action of the Council in suspending or removing the Manager shall be final, it being the intention of this Charter to vest all authority and fix all responsibility for the suspension or removal in the Council. In case of the absence or disability of the Manager or a vacancy in the office of Manager, the Council may designate some qualified person to perform the duties of the office during the absence or disability or until the vacancy is filled.

5.02 Responsibility of Manager -- Powers of Appointment and Removal

Appointments made by, or under the authority of, the City Manager

shall be on the basis of executive and administrative ability and of the training and experience of the appointees in the work which they are to perform. All appointments shall be without definite term unless for temporary service not to exceed sixty days.

5.03 Removal of Officers and Employees

Any officers or employees of the City, including assistants and employees in the office of the City Clerk, may be laid off, suspended or removed from office or employment by the officer, or successor officer, by whom appointed. Verbal or written notice of layoff, suspension or removal given directly to an officer or employee, or written notice left at or mailed to his usual place of residence shall be sufficient to put any layoff, suspension or removal into effect. The officer or employee notified may demand a written statement of the reasons for the layoff, suspension, or removal within five days after the notice. Upon that demand, the officer making the layoff, suspension or removal shall supply the person notified with a written statement of the reasons therefor. A copy of the statement of reasons for any layoff, suspension or removal and a copy of any written reply thereby by the officer or employee involved shall be filed as public records in the office of the Director of Human Resources.

Appointments, layoffs, suspensions and removals from office or employment shall be made, and appeals and hearings from layoffs, suspensions and removals shall be allowed, conducted, and determined as provided in the Civil Service Rules adopted under Article 10.03 of this Charter. The provisions of this Charter shall prevail over State laws in conflict or at variance therewith in every case within the competence of municipal corporations to control by pursuant to this Charter.

5.04 Council Not to Interfere in Appointments or Removals

Neither the Council nor any of its committees or members shall direct or request the appointment of any person to, or his or her removal from, office by the City Manager of any of his or her subordinates, or in any manner take part in the appointment or removal of officers and employees in the administrative service of the City. Except for the purpose of inquiry, the Council and its members shall deal with that portion of the service of the City for which the Manager is responsible solely through the Manager, and neither the Council nor any member thereof shall give orders to any subordinate of the City Manager either publicly or privately. Any violation of the provisions of this section by a member of the Council shall be a misdemeanor, shall be considered disorderly conduct under Charter Section 3.07, and shall result in the member being immediately removed under Section 3.07 by a vote of not less than five members.

5.05 Duties of the Manager

It shall be the duty of the City Manager to act as chief conservator of the peace within the City; to supervise the administration of the affairs of the City; to see that the ordinances of the City and the laws of the State are enforced; to make recommendation to the Council concerning the affairs of the City as may seem to the City Manager to be desirable; to keep the Council advised of the financial condition and future needs of the City; to prepare and submit to the Council the annual budget; to prepare and submit to the Council reports as may be required by that body; and

to perform other duties as may be prescribed by this Chapter or required of the City Manager by ordinance or resolution of the Council.

5.06 Right of Manager and Other Officers in Council

The City Manager, the directors of all departments, and other officers of the City as may be designated by vote of the Council, shall be entitled to seats in the Council, but shall have no vote therein. The Council may discontinue any department or office established by ordinance or resolution and may prescribe, combine, distribute or abolish the functions and duties of departments and offices; but no function or duty assigned by this Charter to a particular department or office shall be abolished or assigned to any other department or office. No department or office shall be established or discontinued until the recommendation of the City Manager shall have been heard by the Council. Departments and offices existing at the time of the adoption of this Revised Charter, and not specifically mentioned therein, shall continue until altered or discontinued by ordinance or resolution.

5.08 One Person as Head of Two or More Offices

The City Manager may appoint the same person as the head of more than one department or office, and the Manager may act as head of any department or office; but the Department of Law shall not be joined with any other department or office, and the City Manager shall not act as head of the Department of Finance or of any office therein other than that of purchasing agent.

5.09 Number of Assistants and Subordinates; How Fixed

The number of assistants and other subordinates to be employed in or by each department or office shall be fixed by the Council; unless the Council shall authorize the Manager to determine the number of assistants and subordinates in and for any department or office subject to the appropriations made therefor.

5.10 Advisory Boards

The Manager may appoint a board of citizens qualified to act in an advisory capacity to the head of any department or office. The members of any such board shall serve without compensation and it shall be their duty to consult and advise with the director or other officer, as the case may be, but not to direct the conduct of the department or office. Recommendations of any such board shall be in writing and shall become a part of the records of the department or office to which they relate. The head of the department or office for which an advisory board is appointed, or his/her designee, shall be chairman of all meetings thereof.

5.11 Investigations by Council or Manager

The Council, the Manager or any person or committee authorized by either of them, shall have power to inquire into the conduct of any department, office or officer of the City and to make

investigations as to municipal affairs, and for that purpose may subpoena witnesses, administer oaths, and compel the production of books, papers and other evidence.

16.01 Franchise Defined

The term “franchise” as used this Charter shall mean, a grant by the city to any individual, company or corporation, for purposed of profit of any special privilege, except as specified in Section 15.03 hereof, in, over, upon or under any street, alley, public way, place or grounds of the city whether such privilege has heretofore been , or may hereafter be, granted; and no such special privilege may be claimed, nor shall it be held or exercised, except under a authority of a franchise from the City.

16.02 Grants, Amendments and Renewals of Franchises

No franchise shall be granted, amended or renewed except by ordinance. No measure making or amending a grant, renewal or extension of a franchise or other special privilege shall be passed as an emergency measure. Any such ordinance shall clearly specify the streets, alleys, public ways, places, and grounds of the City, in, over, upon or under which the privilege is granted and may prescribe the manner in which such streets, alleys, ways, places and grounds shall be used and occupied and any other terms and conditions upon which the franchise is to be exercised. The Council may, by ordinance, renew any franchise at its expiration upon such terms as it may deem conducive to the public interest.

16.03 Revocable Permits Not Franchises

Permits unconditionally revocable at the will of the Council for minor temporary privileges in the streets, alleys, public ways, places and grounds of the City may be granted and revoked by ordinance, and such permits shall not be deemed franchises as the term is used in this Charter.

16.04 Passage of Franchise Ordinances

No ordinance granting, amending or renewing a franchise shall be adopted by the Council until a public written report containing recommendations thereon shall have been made to the Council by, or under the direction of, the City Manager; until adequate public hearings shall have been held on such ordinance by the Council as a whole, or a committee thereof; and until at least one week after its publication in final form in the manner required for the publication of other ordinances following their passage.

16.05 Public Utility Rates; Reserved Rights of City

The rates to be charged for the products or services of any public utility as fixed in, or determined in the manner provided by, any franchise or any amendment or renewal thereof, shall be sufficient only to provide a reasonable return upon the fair value of the property of such utility used, useful and reasonably necessary in furnishing the product or service for the furnishing of which the franchise, amendment or renewal is, or may have been granted; and whether it be so specified in the ordinance or not, all franchises, and all amendments and renewals thereof, shall be subject to the rights of the City:

(A) To repeal the same for misuse, non-use or failure to begin construction within the time prescribed, or otherwise to comply with the terms proscribed;

(B) To require extensions of plant, equipment and service, and to establish standards of service and quality of products, subject only to the right to a reasonable return upon the fair value of the property as in this section hereinbefore defined;

(C) To require the maintenance of plant, equipment and fixtures at the highest practicable standard of efficiency;

(D) To examine and audit the accounts and other records of the utility at any time;

(E) To terminate the franchise at any time and acquire by purchase, condemnation, or otherwise, all property of the utility within the City or elsewhere used in or useful for the operation of the utility with the City;

(F) To impose such other reasonable regulations as may be conducive to the safety, welfare and accommodation of the public.

16.06 Value of Grant Excluded

No ordinance granting or renewing a public utility franchise shall be valid unless it expressly provides that the price to be paid for the property of the utility, in case of acquisition by the City, shall exclude all value of such franchise or renewal; and in determining the fair value of the property of a public utility, for the purpose of permitting a reasonable return thereon, no allowance shall be made for the value of any franchise.

16.07 Extensions

The Council may by amendment of an existing franchise ordinance grant to the individual, company or corporation operating a public utility thereunder the right to extend the appliances, fixtures and services of such utility in the streets, alleys, public ways, places and grounds of the City. Any such extension of a public utility shall become a part of the aggregate property thereof, shall be operated as such, and shall be subject to all the obligations and reserved rights in favor of the City contained in this Charter and in the original franchise under which such utility is being operated. The right to use and maintain any such extension shall terminate with the original franchise and shall be terminable as provided in Section 15.05 of this Charter.

16.08 Certified Copies of Grants, Etc.

Within six months after the original Charter took effect, every public utility, and every owner of a public utility franchise, shall file with the City certified copies of all such franchises owned or claimed, or under which any such utility is operated within the City. Certified copies of all public utility franchises, and of all amendments, renewals and extensions thereof, made subsequent to the taking effect of the original Charter shall be filed with the City by the grantee within ten days after acceptance thereof. No franchise to construct or operate a public utility shall be transferable except with the approval of the Council expressed by ordinance; and certified copies of all transfers, mortgages and other documents affecting the title or use of public utilities shall be filed with the City within ten days after their execution. The certified copies of franchises and other documents required by this section to be filed with the City shall be filed and preserved as a public record in an office of the City as the Council may by ordinance designate.

16.09 No Exclusive Grant

No right to construct, maintain, or operate any public utility in the City of Hamilton shall be exclusive.

16.10 Consent of Property Owners

No consent of any owner of property abutting on any street, alley, public way, place or ground shall be required for the construction, maintenance or operation of any public utility therein either under the original franchise or any renewal thereof; but any owner of such property shall be entitled to recover from the owner of a public utility the amount of actual damage to such property occasioned by the utility, less any benefits accruing thereto from the utility, provided that suit is commenced within one year after damage is begun.

16.11 Public Utility Fixtures and Appliances

The Council shall at all times control the distribution of space occupied by public utility appliances and fixtures in, over, upon or under the streets, alleys, public ways, places and grounds of the City; and all rights granted for the construction and operation of any public utility shall be subject to the continuing right of the Council to require such reconstruction, relocation, change or discontinuance of the appliances and fixtures so used by the utility as, in the opinion of the Council, shall be necessary to the public interest.

ARTICLE XVII**NOMINATIONS AND ELECTIONS****17.01 General Laws to Apply**

All elections provided for by this Charter, whether for the choice of officers or the submission of questions to the voters, shall be conducted by the election authorities prescribed by general law; and the provisions of the general election laws of the State shall apply to all such elections except as provision is otherwise made by this Charter. A regular City election for the choice of members of the Council and the Mayor shall be held on the first Tuesday after the first Monday in November in the odd numbered years at which members of Council and the Mayor are to be elected.

17.02 Nomination by Petition

Any person eligible for election to the Council or Mayor may be nominated by petition in the form hereinafter set forth, filed on his or her behalf with the election authorities. The petition shall be signed by not less than one hundred (100), nor more than two hundred (200), qualified electors of the City, and shall be filed not later than four o'clock p.m. on the ninetieth (90th) day before the day of the regular City election at which members of Council and the Mayor are to be elected. At any such election no person shall file for the office of Mayor and another Council seat. Only one petition may be filed, either for Mayor or for another Council seat.

17.03 Nominating Petition Papers

Nominating petitions shall be substantially in the form prescribed by the laws of the State of Ohio. If any elector signs petitions for more than the number of members of Council or the

Mayor to be elected, his or her signature shall be invalid except as to the petitions first filed not to exceed the number of members of Council to be elected. The name of every such person so nominated shall be printed on the ballot, unless he or she shall file a written withdrawal as a candidate with the election authorities before the printing of the ballot.

17.04 Filing and Verification of Petitions

All separate papers comprising a nominating petition shall be assembled and filed with the election authorities as one (1) instrument at the time provided in Section 16.02 of this Charter. Within ten (10) days after the filing of a nominating petition, the election authorities shall notify the person named therein as a candidate whether the petition is in compliance with this Charter. Any eligible person nominated as hereinbefore provided shall have his or her name printed on the ballots unless he or she shall thereafter withdraw his or her name as a candidate, in which case the election authorities shall remove the name of such withdrawn candidate from the ballots to the extent practicable in the time remaining before the election.

17.05 Non-Partisan Ballot

The names of candidates for election to the Council shall be submitted to the electors on a non-partisan ballot without any party or other designation except to indicate the electors are voting for the office of member of the City Council or the Mayor and the number of members of Council, other than the Mayor, to be elected. The election authorities shall provide a method to allow the electors to vote for other persons by writing in their names. The candidates equal to the number to be elected having the largest number of votes shall be declared elected. In case it cannot be determined which of two or more candidates shall be declared elected by reason of the fact that they received the same number of votes, the election authorities shall determine by lot which of the candidates shall be declared elected.

ARTICLE XVIII

THE RECALL

18.01 Recall Petition Papers

A member of the Council or the Mayor may be removed from office by the electors of the City. The procedure for effecting such a removal shall be as set forth in this XVII Article of the Charter:

A. Any elector of the City may make and file with the City Clerk an affidavit stating the name of the person whose removal is sought. The Clerk shall thereupon deliver to the elector making the affidavit copies of petition papers for demanding such a removal, printed copies of which he or she shall keep on file for distribution as herein provided. In issuing any such petition paper, the Clerk shall enter in a record to be kept in the Clerk's office the name of the elector to whom issued, the date of issuance, the number of papers issued, and shall certify upon each paper the name of the elector to whom issued and the date of issuance. No petition paper shall be accepted as part of a petition unless it bears such certificate of the Clerk and unless filed as hereinafter provided in this Article XVII of the Charter.

18.02 Filing Recall Petition

A petition demanding the removal of a member of the Council or the Mayor shall be known as a recall petition. A recall petition to be effective must be returned and filed with the City Clerk within thirty days after the filing of the affidavit as provided in the next preceding section, and to be sufficient must bear the signatures of electors of the City equal in number to at least fifteen percent (15%) of those persons who voted at the last preceding regular municipal election for the office of Mayor if the Mayor is sought to be removed; or at least fifteen percent (15%) of those persons who voted at the last preceding regular municipal election for the office of Council Member whose removal is sought. A recall petition, if insufficient as originally filed, may be amended as provided in this Charter.

18.03 Recall Election Ordered

If a recall petition, or amended petition, shall be certified by the City Clerk to be sufficient, he or she shall at once submit it to the Council with his or her certificate to that effect and shall notify the person whose removal is sought of such action. If the person whose removal is sought does not resign within five days after such notice, the Council shall thereupon order and fix a day for holding a recall election. Any such election shall be held not less than forty nor more than sixty days after the petition has been represented to the Council and at the same time as any other general or special election held within such period; but, if no such election is to be held within such period, the Council shall call a special recall election to be held within the time aforesaid.

18.04 Conduct of Recall Elections

(A) The question of recalling any number of members of the Council or the Mayor may be submitted at the same election. The election authorities shall conduct the election in a manner assuring that the question of the recall of each person sought to be recalled shall be voted on separately. With respect to each person whose removal by recall is sought, the question shall be submitted, "Shall (name of person) be removed from the Council (or Mayor, as applicable) by recall?" The election authorities shall provide for a ballot that will allow electors voting on the issue to vote either for recall or against the recall of each person sought to be recalled.

(B) Candidates to succeed any person whose removal is sought shall be placed in nomination by petition, signed, filed and verified as provided for nominating petitions for a regular municipal election; except that each petition paper shall specify that the candidate named therein is a candidate to succeed a particular person whose removal is sought. The election authorities shall provide for the conduct of the election to determine which candidates shall succeed each person who is sought to be recalled, if the person is removed by recall or resigns under the circumstances set forth in division (D) of this section. The name of the person whose removal is sought shall not appear on the ballot as a candidate to succeed himself.

(C) If a majority of the votes cast on the question of recalling a member of the Council or the Mayor shall be against his or her recall, he or she shall continue in office for the remainder of the unexpired term, but subject to recall as before. If a majority of such votes be for the recall of the person indicated on the ballots, he or she shall, regardless of any defect in the recall petition, be deemed removed from office. When a person is removed from office by recall, the candidate to succeed such person declared elected shall succeed the person so removed for the unexpired term.

(D) If a person in regard to whom a sufficient recall petition is submitted to the Council shall resign within five days after notice thereof, a successor shall be nominated and elected as provided in division (B) of this section.

(E) No recall petition shall be filed against a member of the Council or the Mayor within three months after he takes office, nor in case of a person subjected to a recall election and not removed thereby, until at least six months after that election.
